

Returning old parts

Important: Please make sure the criteria below are met when returning parts.

Criteria for returning steering gears:

Reconditioning used steering gears saves resources and helps protect the environment.

Returning old parts provides many benefits:

- > A scrap value will be paid for all reusable old parts (with a deposit value).
- > Returning old parts solves the problem of disposal at the workshop.

GKN Automotive accepts old parts under the following conditions:

- > The old part must be the same type as the replacement part.
- > Only return old parts in the packaging of the newly purchased steering gear.
- > The steering gear must be complete. Consisting of components supplied by us and the same add-on parts as the replacement part.

The following old parts can be returned:

The following old parts cannot be returned:

Returning old parts

Important: Please make sure the criteria below are met when returning parts.

The following old parts can be returned:

The following old parts cannot be returned:

You will only be reimbursed for the same number of (or fewer) exchangeable items as the replacement parts (with deposit value) you purchased from GKN Automotive. Also, the returned items must be the same type as the purchased items (same type structure).

Please observe the general recommendations for the proper and safe handling of steering gear.

Always ensure your safety and the safety of others. Pay attention to the relevant safety regulations and wear appropriate protective clothing.

Please only use the cardboard packaging of the newly purchased steering gear to return old parts.
